Directions for Riverside Retreats in Newtown

Please note postal address is as follows, however, if you put the postcode into google maps it will NOT bring you direct to our parking space, as the last section of road is not recognized as a public highway.

The Old Pump House, Canal Road, Newtown, Powys, SY16 2JN

What3words for parking space: riding.machine.proved
Coordinates: 52°31'22.5"N 3°17'46.4"W or 52.520812, -3.301951

These directions should help, or you may wish to telephone Andy when you arrive on Canal Road and he can direct you in:

If travelling by car: Turn off the Newtown bypass and head into town, there are 3 roundabouts you could approach from, however, they will all take you to a traffic-controlled crossroads where Pool Road (A483) intersects with Kerry Road (A489). Locally this is known as the McDonalds crossroads as the fast-food chain is clearly visible from all angles. You need to turn into Cambrian Way (B4568), so the entrance into McDonalds will then be on your left. Travel over the bridge and one zebra crossing and then turn right into Lower Canal Road (B4568), signed for Llanillwchaearn (1 mile).

Travel along Lower Canal Road, past the Waggon and Horses pub on RHS and the road then becomes Canal Road. Head out of the residential area, past the 30-mph sign with a turn for Tan y Graig on your LHS. Continue until you see Llanllwchaearn sign, just as you enter the 20-mph speed restriction. This is approximately 1 mile from where you first turned into Lower Canal Street.

Turn right here and right again along a narrow road which feels like it is just a footpath or cycleway, but you are on the correct route. These are location flags for this unusual turning as several guests have missed it previously.
What3words for turning off Canal Road is radar.charm.buildings
Coordinates: 52°31'22.5"N, 3°17'46.4"W or 52.522928, -3.296222

Please take care on this narrow road as it is used by pedestrians, cyclists, dog walkers, etc. Travel approximately 0.3 miles down this road, back in the direction of Newtown and you will see the Pump House parking area on your LHS and the Shepherds Hut ahead of you on the right.

Coordinates 52°31'22.5"N 3°17'46.4"W or 52.520812, -3.301951

If on foot: it is a 20 minute walk from Newtown train station, via the National Cycle Route 81 which you can pick up after crossing the bridge just past by McDonalds.
